GENERAL INSTRUCTIONS

To promote consistency and reduce regulatory burden, the Department of Financial Institutions has adopted the Interagency Charter and Federal Deposit Insurance Application (“Interagency Application”) used by the Office of the Comptroller of the Currency, the Office of Thrift Supervision, and the Federal Deposit Insurance Corporation.

1. A majority of the Incorporators or Organizers, Directors and Executive Officers of the proposed financial institution must participate in a meeting in the office of the Department of Financial Institutions prior to filing the application to discuss the proposed financial institution.
2. Seven (7) copies of the Interagency Application, supporting documents, and additional information requested in these general instructions should be filed. The fees and related expenses may be obtained by calling the Department of Financial Institutions at (317) 232-3955.
3. Provide four (4) copies of the proposed Articles of Incorporation. The Articles of Incorporation should be completed in accordance with I.C. 28-12-2. The Department will provide a draft copy of Articles of Incorporation containing the minimum requirements.
4. Each incorporator, director, and officer of the proposed financial institution must file confidential financial and biographical reports. The financial and biographical reports must be filed on either the Interagency Biographical and Financial Report filed in conjunction with the application submitted to the Federal Regulatory Agency or the Department’s Confidential Financial and Biographical Report. **Fingerprint cards need not be submitted to the Department of Financial Institutions.**
5. If the proposed financial institution will be controlled by an existing bank holding company (as control is defined in I.C. 28-2-14 or I.C. 28-2-16), provide an organizational chart of the bank holding company, detailing parent company, and all subsidiaries and affiliates.
6. Provide a copy of the prospectus or offering circular. **Although the Department has not promulgated specific rules concerning the contents of a prospectus or offering circular, it must include a statement to the effect that the Department of Financial Institutions has not approved or disapproved the securities being offered or passed upon the accuracy or adequacy of the offering circular or prospectus.** Any offering of securities is subject to the general anti-fraud provisions of the state and federal securities laws. Under the anti-fraud provisions, a particular fact is generally considered material if there is a substantial likelihood that a reasonable person would consider the fact of significance in making an investment decision relating to the securities offered.

Therefore, in preparing that document, the Applicant should be guided by the principles and standards that have been developed under relevant federal and state securities laws and the Federal Deposit Insurance Corporation's Policy Statement on the Use of Offering Circulars in Connection With the Public Distribution of Bank Securities.

7. The Department requires annual external audits pursuant to IC 28-13-10-8. Provide the name of the CPA firm the applicant has chosen to perform the external audit. Also, describe any other services, i.e. tax preparation or internal audit, which the CPA firm will perform.
8. If the applicant intends on using a Mobile Unit or Messenger Service to provide services, provide a copy of the agreement, and if applicable, a description of the services to be provided and the geographic area which will be served.
9. The Department of Financial Institutions expects the applicant to comply with all statements and commitments made in the application. If there is any change in the proposal or amendments are made to the Interagency Application, the applicant should immediately notify the Department.
